Chairman's Message

LEONARD KIM
Chairman
National Board of Directors
Korean American Scholarship Foundation

As we celebrate our 50th anniversary this year, I am reminded of the great vision and sacrifices of our early visionaries to leave us with this great legacy called KASF. As you know, we said our goodbyes to two of our founding members last year (Dr. Ungsoo Kim, who served as the President of ERC and the first Chair of National Board and Dr. John D. Yun, who served as the second President of ERC) and thank them for their great leadership and the everlasting legacy they have left behind.

This year, I was able to visit many of our regional chapters and I witnessed why our organization was able to survive and thrive for the past 50 years - from the passion of our board members and volunteers. Thank you all for your endless dedication and sacrifice to make our organization what it is today.

2018 has been a very good year for KASF. With your hard work, we have accomplished the following:

- $350,000 of new chair scholarship fund added to our endowment pool,
- Received our largest ever pledge of $500,000 from a major donor in NYC,
- Added a brand new regional chapter in Denver called Mountain States Regional Chapter (MSRC)
- Started an internal fundraising program called "50 for 50" to celebrate our 50thanniversary by donors pledging $50,000 in their estate planning.

Although we are meeting our core mission and have a history that we can all be proud of, we need to aggressively seek ways to transform our organization. With this in mind, we have started laying the foundation to hire a full time Executive Director in 2019 to transition KASF from a mostly volunteer-based to professionally managed organization. Coupled with this, active participation from our younger board members in key leadership roles in the new leadership team will ensure the longevity and continuity of our organization.

As I reflect on the past three years of my service, it has been a both rewarding and humbling experience and I would like to thank you for all your help and entrusting me to lead this great organization. I hope all of you will join me in welcoming Frank Lee and our next NB officers and I look forward to supporting them as they take on even greater challenges in the future.

회고와 감사

Young Whan Park

Former President & Chariman
National Board of Directors

1969 was the year that the Korean American Scholarship Foundation took its first step toward an unknown tomorrow. Korean immigrant community was still raw, inexperienced and unsettled. Only things available for them were dreams, hopes and caring hearts. Most of the founding pioneers who I served alongside at that time are no longer with us, but remembering those days of sweats and togetherness that we shared are still kept deep in my heart.

And it is my great joy today not only to celebrate 50th Birthday but also to remember our heartwarming dedication and the remarkable accomplishments that we achieved together. The record of the Foundation shows that 9.4 Million Dollars were granted to over 6,700 Korean students in the past 50 years. This is our profound establishment to be proud of.

The life of immigrants were merely an endless struggle and survival in those days. The fact that our Foundation was the first social service volunteer organization created by Korean immigrants in the Washington area was a remarkable blessing and historical significance. It was a critical and difficult time for Korean students who came to study in America. Dollars were not easily available due to money exchange restrictions imposed by the Korean government.

Yes, the beginning was meek and uncertain. No official Board members of Foundation were elected for the proper operation until a few years later in 1973. Until then, the Foundation task was supported by a few volunteers from the Korean Church community in Washington. That was the pioneering spirit of selfless dedication to help raise the fund and to provide a basis for enabling those students to pursue their American dreams and to move toward their life goals. 1989 was the historic year for the Foundation to expand its vision toward the National stage and adapted a new Charter to create the “National Board of Directors” and to expand the operation nationwide.

As we are celebrating our 50th Birthday this year, I am grateful for the profound dedication of so many members and donors. Finally, I am praying for the continuing Grace of God and guidance for the next 50 years to come.

KASF National Board

Press Release

We are pleased to announce a recent pledge gift of $500,000 to the Korean American Scholarship Foundation (KASF) from an anonymous donor, which is the largest gift KASF has received to date and in time to celebrate its 50th anniversary. With this gift, $300,000 will be used to award scholarships for our Northeastern Regional Chapter and $200,000 will be used to award the most qualified students from the pool of applicants from the rest of our regional chapters over the multi-year period.

Below is a personal statement from the donor regarding his decision to donate to KASF:

Why are we making a pledge to KASF?

First and foremost, it's because my family believes in the importance of higher education and we want to help in meeting the financial needs of Korean American students seeking higher education. My family's desire to do so is closely aligned with the mission of the Korean American Scholarship Foundation (KASF). KASF is well established and has nearly a 50-year history and an excellent reputation as the only nationally organized scholarship foundation which serves the under-resourced young Korean American students.

I had a firsthand opportunity to learn a lot more about KASF's mission, its available resources, and scholarship allocation process by spending some time with the KASF National Board Chairman as well as NERC leadership and their young professional board members. And it is through my interactions and dialogues with them that I became impressed by their boundless passion, dedication, and service.

I realize that philanthropy is a very personal thing. Each person and each family have varied perspectives and goals on philanthropy. In case of my family, given my family's own Korean heritage and given where we are in our life-cycles, we decided to make a lasting commitment to do what we can to help better and empower the lives of Korean Americans.

We genuinely want to see more Koreans do well, assimilate, and succeed in all professions so that over time, Koreans can become stronger as a group economically, culturally, and politically in this country. My Family feels deeply honored and privileged to join the existing ranks of board of directors, volunteers, donors, and supporters of KASF, and we look forward to many years of fruitful association.

Mr. & Mrs. Keith Soon Kim

KASF National Board is pleased to announce a recent contribution of $100,000 from Mr. Keith Soon Kim. With this donation, he wants to create four new Chair Scholarships (Mr. & Mrs. Keith Soon Kim Chair Scholarships): 2 in WRC, 1 in ERC, and 1 in MWRC. This is in addition to the Chair Scholarship he had previously established for WRC in 1987. Mr. Kim served as the first President of WRC for six years and the third Chair of KASF NB from 1994-1995. For his continued dedication and commitment to KASF, he was awarded KASF NB Lifetime Service Award earlier this year. Please join me in thanking Mr. Kim for his life time dedication and his generous gift to KASF. Below is his personal statement about his donation:

"I am proud to be a member of the Korean American Scholarship Foundation. Scholarship is one of the best ways to help young students with financial need to reach their potential to create better future for this country"

KASF National Board is pleased to announce a recent contribution of $250,000 from Mr. Tae Jin Kwon, founding president of NERC.

Mr. & Mrs. Tae Jin Kwon

Mr. Kwon announced at the NERC director's meeting in Jan 15, that he will donate $50,000 yearly for five years. This year, out of his 1st installment, $30,000 will go to NERC and the other $20,000 will be available for use by other regions. This is in addition to the Chair Scholarships he had previously established for NERC in 2001 and 2008. For his continued dedication and commitment to KASF, he was awarded KASF NB Lifetime Service Award earlier this year

In September 2018, Mr. Kwon established the Mountain State Regional Chapter (MSRC), which includes five states, and he donated $25,000, 1st Chair Scholarship to this newly founded chapter. Mr. Kwon lived in Denver for 17 years before he came to New York 30 years ago.

Mr. Kwon attended law school in Sungkyunkwan University in Seoul, Korea and he received his Ph.D. at Ohio Northern Law School. By the time of retirement as an attorney, he attended New Brunswick Seminary, in 2008, and he became ordained by the Korean Presbyterian Church Abroad. He served as a publisher of the Christian magazine, 빛과 사랑 for 10 years until May, 2018. He has also been involved in the mission field, visiting many places like Africa, as he helped missionaries around the world. Mr. Kwon currently lives in New York with his wife and has two sons and one daughter.

CHAIR SCHOLARSHIP (ERC)

Pledged by Mr. Jong Nak Ho and Mrs. Song Ja Park

My wife and I attended college at a time when our country was suffering from the damage caused by the Korean War. Although these were economically difficult times, we were lucky enough to overcome the hardships we faced and graduate from Korea University. Some of our classmates were not so fortunate – they could not afford to pay for their last semester and, consequently, could not finish college.

After college, I worked for the United States Agency for International Development that administered economic aid to Korea. After we immigrated to the U.S. in the early 1970s, I worked for the World Health Organization and retired after more than 22 years of service. My wife, who was already busy raising three young children, studied Computer Science and worked for various departments of the U.S. Government as a computer specialist. She retired from the State Department after serving more than 20 years for the U.S. Government.

In achieving our dreams of providing our three children with excellent educations and degrees from high-quality educational institutions including MIT, Harvard College, and Boston University, we benefited from financial aid received from various sources. In appreciation of this financial support, my wife and I wish to "pay it forward" by helping students who are in need of financial assistance. In particular, we would like to support students who possess the potential to be model citizens, and who will contribute positively to society by demonstrating integrity, responsibility and respect. We have decided this goal can best be accomplished by donating a Scholarship Fund to the Korean American Scholarship Foundation. We sincerely hope that our donation will help to improve the lives of promising young people that will make a positive impact on the world.

"장학금은 한인사회 미래에 투자하는 것"
타일월드, 한미장학재단에 5만 달러 전달

"장학사업은 한인사회 미래에 투자하는 것이다. 젊은 청소년들이 마음 놓고 학업에 전념할 수 있는 환경을 만들어 주어 함차게 내일을 열어갈 수 있게 뒷받침 해 주어야 한다"

한인 기업 '타일 월드'의 김동환 회장과 그레이스 김 사장이 6일 오전 한미장학재단(회장 조앤 이)에 5만 달러의 기금을 전달하고 장학재단의 더 큰 활동을 독려했다.

한미장학재단은 이날 플러싱 금강산 연회장에서 열린 장학기금 전달식에서 기자회견을 열고 장학사업의 중요성을 알렸다.

이 자리에서 5만달러의 기금을 전달한 타일월드 김동환 회장은 "그동안 한인 커뮤니티를 도우려고 노력해왔다. 한미장학재단이 내년에 50주년이 된다는 말을 듣고 동포 사회에서 받았던 도움을 조금이나마 되돌려줄 수 있는 기회라고 생각했다. 이때까지 받았던 사랑을 보답하고 한인 커뮤니티의 발전에 도움이 됐으면 하는 마음에 기부를 결정했다"고 밝혔다.

이 기금 5만 달러는 '타이월드 영구장학금'으로 매년 2,000 달러씩의 장학금을 수여할 수 있다.

조앤 이 한미장학재단 회장은 "한인사회에 다양한 사회봉사 단체가 있는데 특별히 교육에 관심을 가울여주시고 기부를 해주셔서 감사하게 생각한다. 귀하신 뜻을 알리고자 이런 자리를 마련했다"고 전했다.

내년이면 50주년을 맞이하는 한미장학재단은 1969년 워싱턴DC에서 설립되어 능력이 뛰어나고 재정적으로 도움이 필요한 한인 학생들을 돕고 있다. 전국에 6개 지부가 있으며 현재 약 350만 달러의 장학기금을 보유하고 있다.

한미장학재단 미 동북부지부는 올해 장학생 75명을 선발, 9월13일(목) 오후 6시 맨해튼에 있는 Yale Club에서 장학금 15만 달러를 전달한다. 재단은 지난 4월 1일부터 6월30일까지 3개월간 온라인으로 장학금 신청을 받았으며, 미국 내 학교에 재학 중인 총 711명의 고등학생, 대학생, 대학원 및 박사과정의 학생들이 장학금 신청을 해 최종 75명을 선발했다. 75명의 장학생들은 5명의 고등학생을 포함하여 45명의 대학생, 14명의 석사 및 11명의 박사과정 학생으로 구성됐다. 이 자리에서 강성수 뱸버십위원장은 "2020년까지 한미장학재단 장학기금이 360만 달러에서 1000만 달러로 자라야 장학사업이 안정적으로 이어질 수 있다. 미래의 한인 꿈나무 육성을 위한 개인 및 기업의 적극적인 지지와 후원을 부탁드린다"고 당부했다.

2018 Fundraising Golf Tournament

2018 KASF ERC Scholarship Fundraising Golf Tournament was held on Saturday, June 9th at the Westfields Golf Club in Clifton, Virginia.

This event was a huge success due to players' and donors' kind and generous contribution. 120 players participated in this 2-person scramble "Captain's Choice" format tournament and raised a total of $17,000 to support the education of students. In addition, for the first time in many years, we had a Tournament Sponsor ($5,000) – special thanks to Command Education. The Command Education's CEO – Christopher Rim – and Director of Command Med – Daniel Cho – are our KASF's past scholarship recipients!

The event included brunch sandwiches, a buffet dinner, and raffle tickets drawings, followed by an awards ceremony. For awards this year, we've newly included awards for seniors.

During the awards ceremony, our former KASF Scholarship Recipient Sun Park reflected on how the KASF scholarship helped her pursue her education and thanked the attendees for their continuous support to reach more students in need.

KASF ERC is extremely pleased with the level of interest and support expressed by the players, sponsors and prize donors to help the chapter raise funds for our students. Our raised fund of $17,000 will be part of the total scholarship that KASF ERC will award to the selected students at the 49th Annual KASF Scholarship Awards Banquet at Westwood Country Club on Saturday, September 15th.

49th Annual Scholarship Awards Banquet

Our 49th Annual Scholarship Awards Banquet at Westwood Country Club on September 15, 2018 was a success! It was amazing to see all 198 attendees supporting the hardworking scholarship recipients. We had 3 super scholarship recipients, one of whom delivered a speech thanking the donors who financially support students who are virtually strangers year after year to provide a bit of relief in the midst of chaos life has to offer.

We had another great speech by our keynote speaker, Dr. Donny W. Suh, Chief of Ophthalmology Service at Children's Hospital and Medical Center in Nebraska. His speech was quite motivating and humbling as he let us in on his experiences as a child raised in poverty and shared key traits he has learned during his journey to where he is now: humility, gratitude, and the joy of serving others. I personally hope to follow his tips from here on out!

The night could not have flowed as well without the help of our three entertainment groups this year. We actually had a student violinist, Seo Yoon Kim, who performed a piece she had composed herself, an amazing hip-hop group from James Madison University, The Day One Project, and a quartet, Raes4, who resiliently played throughout the entire dinner portion of the night!

As my second year interning and attending the banquet, my eyes are more open to the amazing work that KASF does for the Korean American community across the nation. It is truly amazing to see the multitude of individuals who come together to help the foundation run and support students like myself pursue our dreams and aspirations. To think that donors pour their time and resources to help students that they do not know still stuns me today and inspires me to pay it forward in the future. Thank you all for your contributions every year and I hope to see you again at the 50th Annual Scholarship Awards Banquet!

2018 NERC Golf Outing

KASF Northeastern Regional Chapter held its annual Golf Fundraiser on Wednesday, May 2nd, at the Pelham-Split Rock Golf Course in Bronx, NY.

Thankfully, the spring weather was beautiful, making the outing enjoyable for the 65 people who came out to golf. The event raised net revenues of $8,551, which will support this year's deserving scholarship recipients.

Special thanks to all donors, sponsors, golfers, volunteers and, especially, Golf Outing Committee Chair Si Wha Lee and NERC President Joann Lee.

We look forward to another great event next year!

NERC YP Summer Social Fundraiser

On Wednesday, August 22nd, the Young Professionals Board and Committee of KASF's Northeastern Regional Chapter (NERC) hosted their annual Summer Social, a networking happy hour, at The High Bar in Manhattan, NY.

Stephanie and Amanda spearheaded the planning and execution of the rooftop fundraiser, gathering 24 old and new faces and raising over $1,000. Tickets were sold for $40 each, which included one free drink that the bar generously covered. Attendees enjoyed a mercifully cool August evening (after a wave of thunderstorms and high temperatures), great drinks, and even better conversations.

2018 Meet & Mingle

The NERC Young Professionals Board and Committee held its annual Recipient and Alumni "Meet & Mingle" on Friday, April 6th in Manhattan New York. YP members Esther and Peter co-led the event, which had 36 attendees (out of 34 RSVPs). Past recipient Sarah and her husband Chris served as volunteer bartenders, mixing a signature cocktail for our attendees aged 21+ as everyone enjoyed food donated by Joju. Attendees also enjoyed an engaging game of "human bingo," learning random facts about one another and going from strangers to friends while winning a variety of prizes provided by YP member Estefanía.

The thank you email sent the day after captures the feel of the evening:

> *We at KASF strive to be more than a scholarship or ganization that provides financial support (although that's important to us too!). We strive to build a family*

2018 SRC Banquet

The Southern Regional Chapter (SRC) welcomed the fall season with their 28th Annual Awards Banquet on Saturday, September 8th. It was a celebratory evening for the 150 guests at Atlanta Marriott Century Center. This was the most competitive year for the Southern Regional Chapter with the brightest Korean-American scholars. 25 scholarships were awarded to undergraduate and graduate students, along with 6 high school students and 11 recipients of the American Korean War Veteran Descendants Scholarship (AKWVD).

Haley expressed her gratitude to her grandfather for serving in the military for her country and showed appreciation to the KASF Board for awarding her the scholarship.

The keynote speaker and KASF Board of Director, Dr. David Chu, shared insights on the future of the United States compared to other global economies, such as China and Russia. Right before students were recognized on stage for their hard work, Hanna Cho, one of recipients serenaded the ballroom with a special violin performance of Meditation (Thais) by Jules Massenet.
