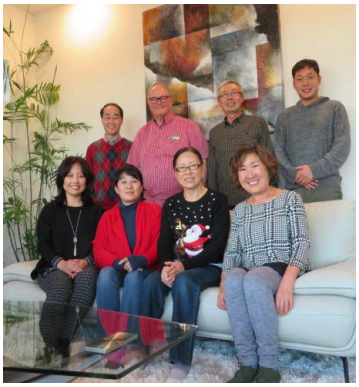
2021 NBD MEETING & REGIONAL ACTIVITIES



CHAIRMAN'S MESSAGE

Greetings!

First and foremost, I would like to express my sincerest appreciation to our generous donors and sponsors, as well as all of our dedicated volunteers, regional members, and Board of Directors. KASF would be nothing without you all: this inspiring, united team of individuals who believe in the value of education and empowering students within our community. It is said time and again, but it is always worth reiterating that with your continued support and dedication, KASF is able to make such an impact, and for that, I am deeply grateful.

Without hesitation, I am proud to share with you that the state of KASF is strong and vibrant. Looking back at my first year as the Chairman of KASF, I have been blessed to witness yet another chapter of remarkable fundraising and philanthropic achievement. Even amidst this unprecedented pandemic, KASF has continued to serve its mission awarding $600K scholarships to 318 number of students. Our endowment has reached an all-time high, exceeding well over $5 million, and has received 9 chair scholarships from various regional chapters. In addition, we were able to solidify a landmark corporate sponsorship with KIA America for a long-term commitment, which will pay dividends in the coming years. Furthermore, we continue to invest in internal operations by consolidating account reporting, as well as hiring our Executive Director, who manages seven regional chapters and guides each to reach their own operational efficiency. Another highlight of 2021 was when the National Board met in Denver this past October to conduct in-depth discussions on various strategic topics for the organization looking ahead to the next 50 years. The implementation of these ideas will be carried out in 2022.

Although the year 2022 looks more-promising than ever, we still have a number of goals we hope to achieve and have significant work laid out before us. Building on KASF's impeccable reputation and mission, we will continue to seek additional corporate sponsorships based on our success with KIA America. We will also aim to expand our volunteer base and foster working relationships between generations of volunteers so that we can build upon KASF's multi-generational community of diverse ideas, perspectives, and experiences. Additionally, in this increasingly more virtual world, we will continue to expand our online presence and improve our digital marketing efforts. Lastly, we will work on transitioning into a more professionally-managed organization while still maintaining our core of volunteer-based service. Needless to say, I am truly excited about the potential for this organization in 2022 and beyond.

All in all, I am looking forward to what we can accomplish together this year, and as we celebrate the accomplishments of the past year, once again, I thank you for your support and commitment for KASF.

Sincerely,

Sang Kim
Chairman
KASF National Board

2021 Regional Activities

ERC

On September 18, 2021 KASF-ERC had our 52nd Banquet - hybrid style at the ERC President, Sandy Chang's residence! Even though pandemic affected our fundraising, we had generous donors & board members who gave & supported us. Without their generous donations, we could not have given out our record number of scholarships of 61 which totaled $103,000. Thank you to all of our supporters & donors!

We had a full program planned with a greeting from our National Board President, Sang Kim, greeting from our keynote speaker & our generous donor, Dow Kim, musical performance by one of our recipients, Lauren Yoon & a thank you speech from our super scholarship winner, Ryan Won! It was a great event & many thanks goes to Dave Yoon for his technical support & all our board members for their hard work!

MWRC

Despite the ongoing Covid crisis in 2021, it proved to be our best year to date for MWRC 2.0 fundraising and scholarships. This success was made possible by the generous $20K matching grant from KASF National, the KIA/KASF Partnership, and the continuing dedication of each & every one of our Donors, as well as the MWRC Board. We are most grateful!! MWRC was able to award 29 Recipients a total of $51K.

MWRC also created a new motto/slogan: Inspiring Korean American Achievement, Leadership & Legacy. As far as we have come as a chapter in the last 7 years and accomplished as a national organization since 1969, there are many new challenges ahead to successfully navigate the next 50 years for KASF and next century for the Korean American Community. It will take all of us, so please do not just watch along the sidelines nor in anonymity thinking it is someone else's battle to be fought … We can only RISE TOGETHER. Let's continue to be MWRC STRONG!!

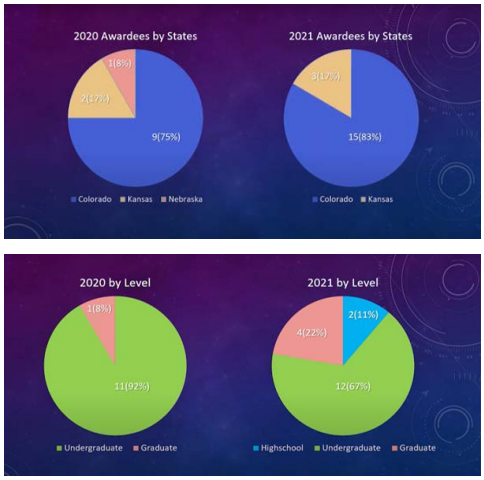
MSRC

The Mountain States Regional Chapter (MSRC) held its third Annual Scholarship Awards Ceremony on August 28, 2021. After much discussions, it was determined to hold another online Awards Ceremony due to the lingering COVID circumstances.

Although the economy was recovering from the previous year, it was yet another challenging year for local businesses and donors in our region. Thanks to the generosity of many donors and the KIA motors group, the MSRC awarded 18 recipients in total, the largest number of awardees in our chapter history.

Among the awardees were two high school students, eleven undergraduate students, and five graduate students. Mr. Seung Kim, a masters student at the University of Colorado at Anschutz Medical campus received the Chair Scholarship Award, announced by the former NERC president Chairman, Taejin Kwon during the ceremony.

Apart from the annual ceremony, the MSRC has also added two new members in the steering/scholarship committee. Mr. Orlo Ellison has joined as a communication director helping to strengthen the structure and framework of our organization. Mrs. Sukie Kang has also joined the committee, and will be the next scholarship chair in 2022.



NERC

NERC Virtual Scholarship Awards Ceremony

NERC held the 2021 Virtual Scholarship Awards Ceremony on September 18th. It was absolutely wonderful connecting and celebrating with our fellow recipients and guests!

The 60-minute event was divided into video messages from KASF members, scholarship award "presentations" with each recipient named live, donor presentations, and small group breakout sessions.

Here are some feedback from the post-event survey, with 51 responses:

- 94% of respondents noted that the ceremony met their expectations either "well" or "very well"
- 91% of respondents said they were "likely" or "very likely" to recommend the event to a friend
- 92% of recipients liked the "Speakers & Presentations" portion of the event

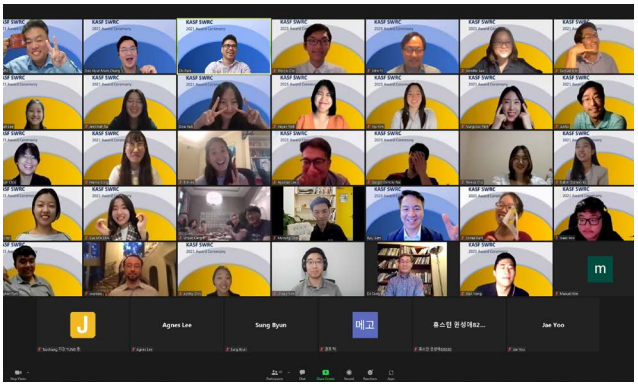
SWRC

The 2021 Virtual Scholarship Awards Ceremony for Southwestern Regional Chapter (SWRC) was a special night where donors, recipients, and volunteers came together to celebrate their Korean heritage and recognize each other's success and hard work. Thanks to all the donors, SWRC was able to award 23 students financial aid, totaling $41,500.

The Awards Ceremony was MC'd by a former KASF recipient and now SWRC volunteer, Gina Huh, who expressed that it was an honor and joy to give back to the community that had supported her throughout her college years. SWRC president Alex Lee kicked off the ceremony with a welcoming message, followed by messages from the president of the National Board, Sang Kim, and keynote speaker, Dow Kim. The highlight of the ceremony was when each recipient expressed their gratitude by delivering a heartfelt thank you speech. We thank each volunteer from SWRC for all of their time and energy; we could not have done it without each of you. Also, we want to sincerely thank the donors for their generosity. Keep on shining SWRC! We look forward to helping out more students in the upcoming years!



WRC Trivia Night 2021

On July 20, 2021, the WRC held a virtual trivia fundraising event, where seven teams displayed their knowledge of topics such as food and Korean cultural influences in the U.S. for a prize of $500. The lively and competitive event ended up with the winning team ("Gymkata") generously returning their winnings to WRC as a donation.

2021 WRC Awards Ceremony

The 2021 WRC's Award Ceremony was held virtually on September 25, 2021 at 11 a.m. The Western Region awarded scholarships to 62 recipients in 2021. In addition to the presentation of awards, the ceremony featured a keynote speech by Esther Chang, partner at the WME talent agency, who offered heartfelt, practical advice to the recipients.

In addition, several recipients shared their talents with the audience: Ye In Kim read her engaging personal essay, Shaw Chun played an original musical piece on a traditional Native American instrument, and Heeseong Lee played a video of her conducting a choral performance of the traditional Korean folk song "Doraji." After the ceremony, the recipients and board members met each other in breakout rooms, where many recipients thanked the board members and donors and shared how the award has impacted their lives.

50 For 50 Campaign

In 2019, KASF launched the "50 For 50" Campaign to celebrate its 50th anniversary.

The goal of the campaign is to recruit 50 donors who will donate or pledge $50,000 or more. With this campaign, we will add at least $2.5 million to our endowment fund that will provide solid foundation and enhance organizational capacity for KASF's future operations.

One of the greatest strengths of KASF is the "passion" of our board of directors and donors. Here are our generous donors for the "50 For 50" Campaign to date:
