IMPORTANT ACCOUNT INFORMATION

Periodically, it is necessary to update selected sections of the disclosures you received when you opened your account. These updates provide you with the most up to date account information and are very important; so please review this information carefully and feel free to contact us with any questions or concerns.

We are updating the Deposit Account Agreement ("Account Agreement") dated October 15, 2021. Effective February 15, 2022, the following applies to wire transfers transactions: the section titled "Funds Transfer Services" has revisions to the introductory paragraph, we added subsections titled "Funds Transfer Security Procedure" and "Rejecting a Funds Transfer Request", and the subsection titled "Your duty to report unauthorized or erroneous funds transfers" has been revised.

If you are enrolled in Wells Fargo Online®, Wells Fargo Business Online®, Wells Fargo Mobile®, or Wells Fargo Advisors® online services, you reviewed and accepted our Online Access Agreement ("OAA") when you enrolled in those services. We have added a new section 15(c) Transfers Security Procedures (Business Customers and Online Wire Transfers) to the OAA to provide more clarity regarding the security procedures that apply to certain online transactions and the various addenda agreements. The updated version of the OAA will go into effect on February 15, 2022.

No, you don't need to take any action. This notice is simply to let you know that certain terms in the Account Agreement and the OAA have been updated. Your continued use of your account and, if enrolled, in the above online services will be your acceptance

to these updated terms. Please review the Account Agreement and OAA, and only continue to use the above online services if you agree to all terms.

For more details, please access the Consumer Account Addenda at www.wellsfargo.com/online-banking/consumer-account-fees/ or the complete OAA at www.wellsfargo.com/online-banking/online-access-agreement/upcoming.

IMPORTANT ACCOUNT INFORMATION

Elimination of Returned Item (Non-sufficient Funds/NSF) Fee and Revised Daily Fee Limit: Under the terms of your Deposit Account Agreement, when certain transactions are presented for payment in an amount that is more than your available balance, Wells Fargo may either (1) pay the item into overdraft at our discretion and assess an overdraft fee, or (2) return the item unpaid and assess a Returned item/Non-sufficient funds (NSF) fee.

Effective June 1, 2022, we will no longer charge an NSF fee on items we return unpaid due to non-sufficient funds. Overdraft fees will continue to apply to items we pay into overdraft at our discretion, under the terms of your Deposit Account Agreement (up to a maximum of four fees per business day for business accounts). These changes do not impact fees that may be assessed by third parties or other banks for returned items.

For current versions of your Deposit Account Agreement, Business Account Fee and Information Schedule, and applicable addenda, please visit wellsfargo.com/biz/fee-information/.

To learn more about tools that Wells Fargo offers to help you avoid overdraft fees, visit wellsfargo.com/biz/help/faqs/overdraft-services, speak with a local banker, or call the phone number on the top of your statement.

Elimination of Overdraft Protection transfer/advance fee(s): Under the terms of your Deposit Account Agreement, we offer an optional Overdraft Protection service for checking accounts that allows you to link up to two eligible accounts (one savings, one credit) to authorize or pay transactions when you don't have enough money in your checking account. Transfers and advances of funds from these linked accounts may result in an Overdraft Protection transfer or advance fee.

Effective June 1, 2022, we will no longer charge transfer or advance fees for transfers/advances from accounts linked for Overdraft Protection. For advances from a linked credit card or line of credit account, interest will continue to accrue from the date of each advance. Overdraft fees will continue to apply to items we pay into overdraft that are not covered by transfers/advances from your linked account(s).

IMPORTANT ACCOUNT INFORMATION

Effective September 15, 2022, we are replacing the following paragraph in the "Special rules for new accounts" section of the Availability of Funds Policy in our Deposit Account Agreement:

The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks, and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit.

The new paragraph is as follows:

The first \$5,525 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks, and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit, if your deposit meets certain conditions. For example, the checks must be payable to you. If your deposit of these checks (other than U.S. Treasury checks) is not made in person to one of our employees, the first \$5,525 may not be available until the second business day after the day of your deposit.

Elimination of Returned Item (Non-sufficient Funds/NSF) Fee and Revised Daily Fee Limit: Under the terms of your Deposit Account Agreement, when certain transactions are presented for payment in an amount that is more than your available balance, Wells Fargo may either (1) pay the item into overdraft at our discretion and assess an overdraft fee, or (2) return the item unpaid and assess a Returned item/Non-sufficient funds (NSF) fee.

Effective June 1, 2022, we will no longer charge an NSF fee on items we return unpaid due to non-sufficient funds. Overdraft fees will continue to apply to items we pay into overdraft at our discretion, under the terms of your Deposit Account Agreement (up to a maximum of four fees per business day for business accounts). These changes do not impact fees that may be assessed by third parties or other banks for returned items.

For current versions of your Deposit Account Agreement, Business Account Fee and Information Schedule, and applicable addenda, please visit wellsfargo.com/biz/fee-information/.

To learn more about tools that Wells Fargo offers to help you avoid overdraft fees, visit wellsfargo.com/biz/help/faqs/overdraft-services, speak with a local banker, or call the phone number on the top of your statement.

Elimination of Overdraft Protection transfer/advance fee(s): Under the terms of your Deposit Account Agreement, we offer an optional Overdraft Protection service for checking accounts that allows you to link up to two eligible accounts (one savings, one credit) to authorize or pay transactions when you don't have enough money in your checking account. Transfers and advances of funds from these linked accounts may result in an Overdraft Protection transfer or advance fee.

Effective June 1, 2022, we will no longer charge transfer or advance fees for transfers/advances from accounts linked for Overdraft Protection. For advances from a linked credit card or line of credit account, interest will continue to accrue from the date of each advance. Overdraft fees will continue to apply to items we pay into overdraft that are not covered by transfers/advances from your linked account(s).

IMPORTANT ACCOUNT INFORMATION

In consideration of the global COVID-19 pandemic, Wells Fargo temporarily paused exercising its right to setoff as otherwise allowable under your Deposit Account Agreement. Effective on or after January 1, 2023, Wells Fargo will resume exercising its right to setoff for overdrawn deposit account balances, where applicable. When we exercise this right, we may reduce funds in any account you hold with us for purposes of paying the amount of the debt, either due or past due, that is owed to us as allowed by the laws governing your account. Our right of setoff won't apply if it would invalidate the tax-deferred status of any tax-deferred retirement account (e.g., a SEP or an IRA) you keep with us. To review a copy of your Deposit Account Agreement, including the provisions related to the right of setoff, please visit wellsfargo.com/online-banking/consumer-account-fees/.

 **IMPORTANT ACCOUNT INFORMATION**

ATM Check Deposit Limit

Effective March 15, 2023, we are changing the following paragraph in the "Our right to decline deposits" subsection within the "Depositing Funds" section of the Deposit Account Agreement:

We may decline all or part of a deposit, including cash, for any reason. This could happen, for example, if a payee isn't a co-owner, authorized signer, or authorized representative on your account, we can't verify an endorsement, the check was issued from a credit account, the dollar amount of the deposit, the check looks suspicious, or it's a non-U.S. item. If we decline a deposit that you mailed to us, we may return it to you at your cost (including charging you for postage and handling to return foreign currency coin or paper), or retain any invalid checks or other documents included in the deposit without crediting your account, at our discretion.

The new paragraph is as follows:

We may decline all or part of a deposit, including cash, for any reason. This could happen, for example, if a payee isn't a co-owner, authorized signer, or authorized representative on your account, we can't verify an endorsement, the check was issued from a credit account, the dollar amount of the deposit, the check looks suspicious, or it's a non-U.S. item. If we decline a deposit that you mailed to us, we may return it to you at your cost (including charging you for postage and handling to return foreign currency coin or paper), or retain any invalid checks or other documents included in the deposit without crediting your account, at our discretion. There are limits on the total dollar amount of checks that can be deposited at Wells Fargo ATMs per transaction. We may decline check deposits that exceed \$1 million.

Effective January 31, 2023, in the section of your Deposit Account Agreement ("Agreement") titled "Available Balance, Posting Transactions, and Overdraft", under the subsection "How we process and post transactions to your account", the section titled "Step 2: we sort your transactions into categories" is deleted and replaced with the following:

Step 2: we sort your transactions into categories

- We credit deposits received before the cutoff time.
- We subtract withdrawals and payments we have previously authorized that we cannot return unpaid such as debit card purchases, ATM withdrawals, account transfers, Bill Pay transactions, and teller-cashed checks. Transactions are generally sorted by date and time the transaction was conducted or, for some transactions, the day we receive it for payment, or the time assigned by our system. If date and time are the same, we post from lowest to highest dollar amount.
- We pay your checks and preauthorized ACH payments, such as electronic payments you have authorized a company to withdraw using your account and routing number. Transactions are generally sorted by date and time received by the Bank, and if date and time are the same, we post from lowest to highest dollar amount. Merchant-issued payment card transactions (e.g., an ACH payment associated with a purchase you made using a store-issued debit card) post after all other transactions in this category.

Determining Date and Time

- Cutoff time is based on the location where the deposit or transfer was made.
 - For debit card transactions, if we do not have date and time information, we use the day we receive it for payment from the merchant.
 - For some transactions, such as Bill Pay or teller-cashed checks, a different time may be assigned by our systems.
-
